Why Impact 360 Institute?

We live in an age where truth is not only up for grabs, it's significance for how to live life is, at best, ignored and dismissed. Just like every time in history before, students have questions and need to have the space to ask the important questions about their purpose in life, why they believe what they believe, who God is, and how to navigate a world that constantly shifts and changes. In a culture that continues to grow more defiant toward the things of God, we need leaders who are empowered to boldly and compassionately bring the light of Christ to every corner of the world.

Impact 360 Institute exists to inspire and equip the next generation of disciples to know Jesus more deeply, be transformed in their character and live with Spirit-empowered influence.

Holistic discipleship is at the heart of everything we do. At Impact 360 Institute, we believe in the power of transformation—a transformation that begins within, empowering young individuals to be bold, authentic, and compassionate leaders who shine the light of Christ in every corner of the world. Together, we rise above challenges, united in faith, and committed to making a difference. Impact 360 Institute—a journey of empowering transformation for the next generation.

Know. Be. Live.

We begin with the concept of holistic discipleship.

Because all truth is God's truth, we reject the idea that reality is separated by the artificial categories of sacred and secular. As Christ-followers, we are called to live every aspect of our lives under God's authority and for God's glory. There should not be a disconnect between how we think, who we become, and how we live.

That's why each Impact 360 Institute experience is designed to inspire and equip through holistic discipleship. We do this through our learning philosophy: **Know. Be. Live.**

Know.

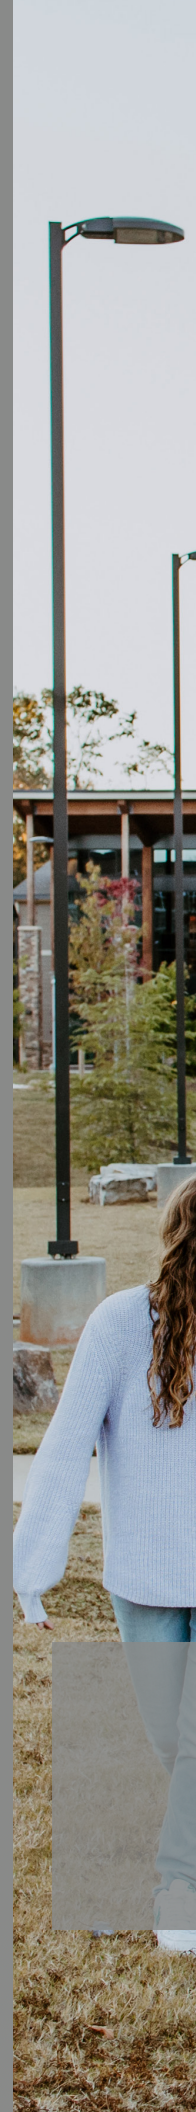

Jesus more deeply as you grow in your understanding of what God has revealed about reality and why Christianity is true.

Be.

transformed in your character as you discover your identity in Christ and God-given calling in authentic community.

Live.

a life of Spirit-empowered Kingdom influence as you cultivate a servant's heart.

Impact 360

FELLOWS

Impact 360 Fellows is a nine-month gap year experience where you will cultivate a deep faith rooted in a biblical worldview. Grow as a disciple of Jesus through a unique combination of experiential learning, dynamic teaching, vibrant community, domestic and international travel, and servant leadership training.

Fellows Peak Experiences

Biblical Worldview

Fellows spend a week in Utah putting their classroom learning into action. This is one of many opportunities where Fellows apply what they have been learning about worldview, other beliefs, and their own Christian faith in a real-world setting. They engage in spiritual conversations with those who believe differently and grow their confidence in clearly sharing the gospel with boldness.

Spiritual Rhythms

Fellows spend the academic week in nature, experiencing the wonder and adventure of creation firsthand. In addition to backpacking, camping and rappelling, Fellows explore some primary spiritual disciplines through both instruction and practice. Fellows come away with an understanding of the disciplines and a strategy for implementing them in their personal lives.

TrueFaced

Fellows discover what it means to live in authentic Christian community by discussing biblical truth regarding gospel-centered identity, common obstacles to authenticity, and key concepts such as grace and forgiveness. Fellows come away from this week with a deeper understanding of community and a renewed desire both to live in and to offer an environment of grace.

International Immersion

Fellows partner with and learning from the local church in Brazil and South Africa. This experience gives Fellows the opportunity to grow their love of God and His people through serving alongside others who love him. While abroad, Fellows serve in many different ways including working at youth camps and orphanages, ju-jitsu ministry, and volunteering at local churches, schools, and organizations.

Biblical Manhood and Womanhood

Fellows grow in their understanding of what it means to live a biblical life in today's culture. Having spent time deepening their understanding of who God is, this retreat explores how to practically apply that knowledge as a man or woman who follows Jesus. These retreats pull the big pieces together and bring the practical perspective of what it means to be a biblical man or biblical woman who follows after the heart of God.

Kingdom Influence

Fellows spend a week in our nation's capital exploring what it looks like to live with Spirit-empowered influence. Fellows spend time learning from individuals who are serving God in their own unique callings and exploring history and art museums. They walk away with incredible examples of people faithfully following Jesus and trusting God to guide their path, even at some of the highest levels of influence in our nation.

Ask Us Anything

What kind of students are you looking for?

We are looking for 18-20 year-old, high school graduates who are passionate about their faith and desire to grow deeper in their relationship with Jesus. Impact 360 Fellows are known by an actively growing relationship with Jesus, leadership experience, and teachability.

Applicants are evaluated based on their online application, interview, pursuit of Christian community, church and school involvement, leadership experience, test scores and GPA, and their desire to participate in the program.

What are qualifications for admission?

Students interested in applying for Impact 360 Fellows must meet the following qualifications:

- 18-20 years of age when entering the program. Must be 18 years of age by January 1 of the program year
- Must have completed high school
- Actively growing relationship with Christ
- Leadership experience
- Teachability and desire to grow in your faith and as a leader

Academic and Testing Requirements:

- 22 ACT (excluding writing component)
- OR 1100 SAT minimum score (combined critical reading and math)
- OR 72 CLT
- 3.0 GPA or higher
- International Students: 90 TOEFL

How much does the program cost?

The actual cost for a student to go through the Fellows experience is \$40,800.

However, every enrolled Fellow is awarded a \$20,000 Impact 360 Fellows Scholarship. This Scholarship is awarded to each accepted Fellow as an investment into the next generation of disciples. This reduces the direct cost of the Impact 360 Fellows experience and allows us to offer this experience at the cost of ***\$20,800.**

Some students may qualify for additional need-based aid through our Legacy Grant Fund.

*Check online for up-to date program cost

What do the program costs include?

- 18 hours of transferable college credit from Union University
- Books and associated fees for all learning modules
- On-campus housing and laundry facilities
- 15 meals per week from our in-house executive chef and culinary team
- Unlimited access to our campus gym and various recreational facilities
- Leadership Training at Chick-fil-A's Support Center.
- Various strength, vocation, and personality assessments
- Six off-campus learning experiences including, one week in Utah, one week in Washington D.C., and an extended international immersion experience.

“Knowing the truth has shaped the way I view the world while also helping me care for others, seeking to understand their perspectives as well. It has given me the confidence to ask questions and learn more about what others believe. It impacts everything about the way I live and interact with those around me!”

— Meredith Lee, Impact 360 Fellow 2019-2020

“Because of my time at Fellows, I am more confident in my ability to discern truth, see my neighbor as an image bearer, and understand that no matter what this world throws, my King lives.”

— Dakota Powel, Impact 360 Fellow 2019-2020

Application Process

1. Apply

Complete and submit your online Impact 360 Fellows application.

- Pay the \$30 non-refundable application fee.
- Request that your school send an official current transcript to:

Impact 360 Institute
100 Impact Circle
Pine Mountain, GA 31822

- Send a copy of ACT or SAT scores directly to Impact 360 Institute or admissions@impact360.org and directly to Union University.

Union University is located in Jackson, TN
SAT Code: **1826**
ACT code: **4020**

2. Interview

Selected applicants will be invited to do a phone interview and then considered for a final on-campus interview approximately one month after the online application is submitted. Interview spots are limited for each application deadline, applying early will help you secure an interview spot.

3. Acceptance

Following participation in a final interview, the interviewee will receive their final acceptance decision.

4. Financial Assistance

Accepted students may pursue need-based aid through the Impact 360 Legacy Fund.

Visit Campus

Our Campus | Pine Mountain, Georgia

Impact 360 Institute's equipping experiences are a launching pad, not a landing zone.

In 2017, we celebrated the launch of the Jeannette Cathy Learning Center, named in honor of the wife of Chick-fil-A founder Truett Cathy. Jeannette Cathy was a life-long learner and deeply dedicated student of the Bible; her legacy carries through each student who is equipped through our experiences.

Our campus was intentionally designed to facilitate our holistic discipleship model: **Know. Be. Live.** Through the active learning classroom, Legacy and Heritage Student Housing, and recreation facilities, students have greenhouse environment to grow as they develop in the life of the mind, experience authentic community, and take part in experiential learning.
